

University of Maryland School of Nursing

Student – COVID-19 Exposure, Symptoms, Positive Test

UMSON employee (administrator, faculty, staff, clinical instructor) becomes aware of a nursing student who has been exposed to a COVID-19+ person, has COVID-19-like symptoms, or has tested positive:

1. Notifies the student to contact UMB Hotline immediately (**800-701-9863**) and then contact school health officer, Kelsey Bradford.
2. School health officer calls UMB Hotline to alert them that student will be calling.
3. School health officer notifies program director (PD) with email copy to associate dean (AD), specialty director (SD) with email copy to AD, or associate dean for PhD program (AD PhD), who follow up with student (email and/or phone call) to offer support and to ask that student notify them of instructions from UMB Hotline/nurse case manager: *Quarantine* (yes or no) and *Get Tested* (yes or no).
