

# Doctor of Nursing Practice: Post-Master's Option Plans of Study Fall 2013 and Prior

## Full-time Plan of Study:

Full-time students must take the core courses and NDNP 810 in the order listed in the chart below. Electives and NDNP 811, 812, and 813 may be taken as listed below or in a different sequence as agreed upon by the advisor and student. After NDNP 811 is completed, NDNP 812 and NDNP 813 must be taken consecutively and successfully completed in the following semesters, or Capstone Advisement must be taken every semester until successfully completed. Capstone Advisement does not count toward elective credits. Of the 15 elective credits, three credits must be taken in health policy and three credits must be taken in translating evidence into practice.

Semester and Course Number/Title	Credit/Clinical Hours
