### Eligibility Requirements

All courses on pages 2–3 must be complete before enrollment. Only the courses below need to be completed to apply.

| Must have completed at least...                                            | No more than...       |
|----------------------------------------------------------------------------|-----------------------|
| 2 required science courses (A&P I, A&P II, or Microbiology)                |                       |
| 1 additional bolded course (Human Growth & Dev., Statistics, or Nutrition) | 4 courses in progress |

*Note: An active RN license is not required for admission.*

### Prerequisite Requirements

| Applicants who...                                    | Must complete...           |
|------------------------------------------------------|----------------------------|
| Have not held an RN license with a bachelor's degree | All required prerequisites |
| Hold an RN license with a bachelor's degree          | Only the bolded courses    |

- All prerequisite courses must be completed before the start of the term you are applying for.
- You may have up to four (4) prerequisite courses in progress at time of application.
- Of those four, the following must already be completed:
  - At least 2 required science courses: A&P I, A&P II, or Microbiology
  - At least 1 of the following: Human Growth & Development, Statistics, or Nutrition
- You cannot have three science courses in progress at the same time.

### Transcripts, Scores & Deadlines

|                                  |                                                                                                                                                                                           |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Official transcripts</b>      | Required upon completion of any coursework in progress. Transcripts from all schools attended are mandatory — failure to submit disqualifies admission.                                   |
| <b>AP / CLEP scores</b>          | Required if used for prerequisite credit. See <a href="https://nursing.umaryland.edu/admissions/faq">nursing.umaryland.edu/admissions/faq</a> for Transfer of Credit by Examination FAQs. |
| <b>Final submission deadline</b> | All final transcripts and scores must be submitted one week prior to classes starting.                                                                                                    |
| <b>Proof of enrollment</b>       | Admitted students must submit by June 1 (fall) or Sept. 1 (spring). Acceptable: official or unofficial transcript, or registrar letter. Failure may cancel admission.                     |

### General Notes

- Online courses are acceptable. No course may fulfill more than one requirement.
- List any repeated courses on the final page of this form.
