Sigma

VISION

Connected, empowered nurse leaders transforming global healthcare

MISSION

Developing nurse leaders anywhere to improve healthcare everywhere

Pi at-Large Chapter

The Pi at-Large Chapter (015) of Sigma, the Honor Society of Nursing, is one of the oldest and largest chapters in the world. Ethel Palmer Clarke, graduate of the University of Maryland School of Nursing Class of 1906, is credited with being the "mother" of Sigma Theta Tau. The Pi at-Large Chapter was officially established in 1959 at UMSO.
