Unexpected Outages

- ## Internet Outages
  - Download exams prior to arrival to class
  - You will be able to enter and complete exam
  - Answers will be safe and secure until able to reconnect to the internet

- ## Power Outages
  - Students need to fully charge devises prior to exam
  - If there is enough battery life, upload once connected to the internet
  - If your instructor chooses to postpone the exam, COMPLETELY SHUT DOWN devices to stop the timer until power is restored

- ## Mid-Exam Evacuation (ie Fire Drill)
  - COMPLETELY SHUT DOWN devices to stop timer
  - DO NOT SUBMIT the exam
  - DO NOT close the laptop
    - Closing will put the computer to sleep but **WILL NOT** stop the timer
