

Important Notifications	
Notification	Description
Assignment Due	A new assignment is due, or the due date for an old assignment has changed. This is similar to <i>Assignment Available</i> , but shows a new assignment with an explicit due date.
Assignment Past Due	The due date for this assignment has passed. It is now overdue.
Course/Organization Available	You have been enrolled in a new course or organization.
Item Due	A manually-created item is due, or the item's due date has changed. This notification tracks gradeable items that are not represented directly in the system. For example, paper quizzes.
Survey Due	A survey is now due. This is similar to <i>Survey Available</i> , but shows a new survey with an explicit due date.
Survey Overdue	The due date for this survey has passed. It is now overdue.
Test Due	A new test is due, or the due date of an old test has changed. This is similar to <i>Test Available</i> , but shows a test with an explicit due date.
Test Overdue	The due date for this test has passed. It is now overdue.
