**Product:** Blackboard Learn

**Release:** 9.1

**Service Pack:** Learn October 2014 (9.1.201410.160373), Learn April 2015

**Issue Description:** The decimal places for percentages are displaying out to 4 places in the grade center. Documentation on the grade center indicates that while calculations are based on four decimal places that the display should only show two decimal places.

**Steps to Replicate:** 1. Login to Blackboard Learn as administrator  
2. Enter a course that contains a Weighted Column  
3. Enter the Full Grade Center and look at the Weighted Total Column

Observed:

More than 2 decimal places are showing for weighted columns.

**Target Release:** Future Reference

**Patch Available:** No
